Objective

A motivated and passionate Software Developer focused on creating innovative and efficient software solutions. Eager to learn and grow within dynamic development environments. Skilled in Python, Java, Django and as well as Linux Platform. Committed to writing clean, maintainable code with a strong attention to detail and problem-solving abilities.

Education

Bachelor of Technology in Information Technology, 2023 – 2027
IFET College of Engineering, Villupuram
CGPA : 8.23(Upto 6th semester)

HSE, State Board, Class XII, *Subramania Bharathi Hr. Sec. School, Thirukkanur* 2022 – 2023
Percentage: 76%

SKILLS AND INTERESTS

Technical Skills
Python programming, Web Development, SQL, Networking

Interests
Solving Problems in Coding, Mentoring, Contribution in FOSS

Non-Technical Skills
Problem Solving, Leadership, Teaching ability, Logical Thinking

Platforms
MS Office, Linux, VS Code, Git and GitHub, Packet Tracer

Projects

Online Pharmacy with OCR powered medicine scanner, *Mini Project*
- Developed an web based online pharmacy application to promote small medical shops.
- Implemented an OCR-powered medicine scanner to extract medicine names and dosages from tablet images.
- Enabled users to search medicines, upload prescriptions, add products to cart, and place orders securely.
- Integrated secure payment gateways and real time order tracking to enhance the customer experience.
- Designed an admin dashboard for inventory management, prescription verification, and order processing.

INTERNSHIP/TRAININGS

Implant Training, *Cloud Logistics* 02/2025
Pondicherry

Certifications & Achievements

CCNA Cisco Value-Added Course
Gained foundational knowledge in networking and Cisco technologies.

Python for data science
Offered by IIT through the NPTEL platform, gaining foundational programming skills.

Python programming proficiency
Gained proficiency in Python programming through SkillRack, showcasing strong skills in coding and problem-solving.

HackerRank Python Credits
Earned credits from HackerRank for Python, demonstrating proficiency in programming and problem-solving in the language.
